

Introduction:

It is the intent of Debco Construction to support students as they strive to continue their education and better their future. Students considering any post-secondary education, i.e., college, university, trade school and/or vocational school, will be eligible for this scholarship. Potential recipients must meet certain qualifications to be considered for this scholarship.

By filling out this application, fully and honestly, each applicant agrees to be considered.

Description of Scholarship:

The Debco Construction scholarship award will be a total of \$2,000 per scholastic year. All monies will be divided equally between semesters and submitted directly to the recipient's school of choice. Scholarships are renewable for up to four (4) academic years, provided the student stays enrolled in good standing in an accredited institution of higher education. The recipient must provide proof of good academic standing and a copy of their registered classes each semester. Grades and an updated class schedule must be submitted prior to the release of the next semester's scholarship funds.

Eligibility:

1. Applicants must have a grade point average of 2.8 or better on a scale of 4.0, in the previous completed academic year.
2. Applicants must make sure application is fully completed and submitted by **April 1st**, to Debco Construction PO Box 363, Orofino, ID 83544. Late or incomplete applications will not be considered.

Application:

The application has 4 parts: Please make sure that all 4 parts are fully completed with submission of this application.

1. General information page (Use the provided space or attach another page to the application.)
2. An essay that is organized, well written and answers the question fully in 500 words or less. This can be neatly handwritten or typed and attached.
3. A professional letter of recommendation (This can be from an employer or from a person associated with applicant's area of interest.)
4. Attach a copy of your Transcript
